Such quotations shall not be solicited or provided in a manner that discloses or requires the disclosure of the amount of a prospective bid.

(i) *Purchases and Contracts of \$100,000.00 or more or contracts for contractual services of \$25,000 or more.* Bids to conform to conditions in advertisements.

(1) The County Board will not entertain or consider any bid; a. Not accompanied by the required certified check, bid deposit, or bid bond; c. Not accompanied by the affidavits, certifications or economic disclosure statements required to be submitted pursuant to this article; or d. Which in any other way fails to fully comply with the terms and conditions as stated in the advertisement for bids.

(2) No bid may be changed, amended, or supplemented in any way after the exact time for submission of bids specified in the advertisement for bids. Any bidder that cancels, withdraws or modifies its bid after the bid opening will result in the bidder being deemed unqualified and will prohibit said bidder from receiving a County contract for a period of one year from the date of bid opening. No certified check, bid deposit, or bid bond may be accepted after the exact time for submission of bids specified in the advertisement for bids.

(j) *Purchases and Contracts of \$100,000.00 or more or contracts for contractual services of \$25,000 or more; Examination and tallying of bids.* All bids shall be opened and tallied at a time predetermined by the President, who shall appoint a member of the County Board to preside and witness the conduct of the reading and announcing in public of all bids before all who desire to attend. The bids shall then be reported to the County Board at the next meeting after the opening thereof. If it is evident that only one qualified bid has been submitted with respect to a particular contract, no bid envelope is opened and any sealed bid(s) shall be returned to the bidder(s) via certified mail unopened. The Clerk announces this fact and that the Purchasing Agent will thereafter determine whether to re-issue the solicitation of competitive bids as a result. If it is determined that an error was made in announcing the bid or there was a failure to read all bids into the record, the Purchasing Agent shall notify the Commissioner who presided over the Bid Opening and the Clerk of the Board of the need to reconvene the Bid Opening to correct the record. As soon as reasonably possible, the Bid Opening is reconvened for the purpose of correcting the record.

Upon notification of a recommended vendor from the Department and Contract Compliance, the Office of the Purchasing Agent prepares the pre-award bids report and posts said report on the County's web-site and on the bulletin board outside the Purchasing Agent's Office. The time intervals required to evaluate bids are not always predictable. Bidders are responsible for monitoring the web-site or, if they lack web access, for calling the Office of the Purchasing Agent on Mondays after 12:00 noon at (312)603-5370 to determine whether a recommendation for award will be posted during the upcoming week.

(l) *Purchases and Contracts of \$100,000.00 or more or contracts for contractual services of \$25,000 or more; Bid protest procedure.* Any bidder who has reason to believe that the bidder identified in the posted recommendation for award is not entitled to be awarded the contract, or who has a complaint about the bid process, may submit a written bid protest, in writing, directed to the Purchasing Agent. Such protest may be submitted at any time prior to the announcement of the recommended bidder, but no later than three business days after the date upon which the recommendation for award is posted on the County's web-site and on the Purchasing Agent's bulletin board. The bid protest must state with specificity the basis upon which the bidder believes that the recommendation for award is erroneous, or the basis upon which the bidder believes the bid procedure was unfair, including a statement of how the alleged unfairness prejudiced the protesting bidder. A bidder who could have submitted a request for exception, clarification or information prior to bid opening but failed to do so shall not be entitled to protest a bid on the basis of insufficient information or clarity after the bids have been opened.

(m) *Purchases and Contracts of \$100,000.00 or more or contracts for contractual services of \$25,000 or more; The Purchasing Agent shall decide all bid protests.* When a protest has been submitted, the Purchasing Agent shall defer presentation of a recommendation for award to the Board's Finance Committee until the bid protest has been decided.

(n) *Purchases and Contracts of \$100,000.00 or more or contracts for contractual services of \$25,000 or more; Contract award and execution.* The final recommendation for award shall be transmitted to the Board, through its Finance Committee, for approval of the recommendation for award and execution of a contract with the approved bidder. The Purchasing Agent shall ensure that all required certifications are executed and all due diligence is performed prior to the request to award and execute the contract.

(o) *Purchases and Contracts of \$100,000.00 or more or contracts for contractual services of \$25,000 or more; Right to reject bids reserved.* The County Board reserves the right to reject any and all bids.

(p) *Purchases and Contracts of \$100,000.00 or more or contracts for contractual services of \$25,000 or more; Local business preference.*

PROPOSED RESOLUTION

RESOLUTION CONDEMNING HUMAN TRAFFICKING

WHEREAS, HR 3887 as introduced and passed with only two dissents in the U.S. House of Representatives, introduces a cohesive legal framework for fighting trafficking by combining and streamlining efforts against the international and domestic sale of human beings; and

WHEREAS, HR 3887 constitutionally targets the demand for international trafficking by directly addressing the networks that buy and sell women and children for commercial sexual exploitation; and

WHEREAS, HR 3887 removes a barrier to effective prosecutions against traffickers by making “force, fraud and coercion” part of aggravated trafficking rather than a requirement for all convictions; and

WHEREAS, HR 3887 makes exporting sexual exploiters to other countries (“sex-tourism”) as significant a crime as importing victims for sexual exploitation; and

WHEREAS, HR 3887 as drafted and passed by the U.S. House of Representatives, will assist many victims of trafficking and the sex trade in Cook County; in Chicago alone, 16,000 – 25,000 women and girls are involved in prostitution every year; this bill will enhance legal options on a federal level to help stem a significant piece of why so many women and children are forced into the sex trade in Chicago and Cook County: the pimps and traffickers; and

WHEREAS, in October of 2007, the Cook County Commission on Women’s Issues released the report, “The Realities of Trafficking” in Cook County that documented the scope of the problem in Cook County; and

WHEREAS, sixty-two percent of women and girls in prostitution in Illinois were first pimped out before they were 18 and one third of women and girls in prostitution first become involved before age 15; many adult women in Illinois are also trafficked and pimped by third parties who financially profit from keeping them in prostitution; the majority of these adult women would face violence if they did not give the money they make in the sex trade to these third parties; and

WHEREAS, pimps and traffickers do not always use force, fraud or coercion to bring adult women into prostitution, but pimping and trafficking is always unlawful, and it is virtually always practiced on previously harmed, notably vulnerable and objectively disempowered women; and

WHEREAS, seventy-five percent of women and girls in prostitution in Illinois are survivors of sexual assault, most of multiple rapes and sixty-six percent are victims of incest; and

WHEREAS, fifty percent of women and girls in prostitution are homeless; often trading sex is the only means of survival for these women and girls; pimps and traffickers often exploit these economic hardships to maintain adults and children in prostitution; many traffickers and pimps profit from the commercial sexual exploitation while the women and children trafficked remain poor.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Commissioners of Cook County does hereby condemn the trafficking of human beings and support efforts to prosecute those who profit from the exploitation of women and children; and

BE IT FURTHER RESOLVED, that the Board of Commissioners of Cook County does hereby commend the U.S. House of Representatives and the Cook County delegation for their leadership in expanding federal anti-trafficking legislation so that it more accurately represents the experiences of victims in Cook County and expands the ability of federal prosecutors to bring domestic traffickers to justice; and

JOURNAL OF PROCEEDINGS FOR JUNE 3, 2008

BE IT FURTHER RESOLVED, that the Board of Commissioners of Cook County does hereby urge United State Senators Richard J. Durbin and Barack Obama to support HR 3887 and the United States Senate to pass the measure without modification; and

In accordance with Cook County Code Section 2-108(z)(1) Amendment or suspension of rules, Commissioner Silvestri, seconded by Commissioner Moreno, moved to suspend Section 2-108(h)(1) Prior notice to public; agendas. **The motion carried unanimously.**

JOURNAL OF PROCEEDINGS FOR JUNE 3, 2008

Your Committee has considered the following items and upon adoption of this report, the recommendations are as follows:

294137 BUREAU OF TECHNOLOGY, by Antonio Hylton, Chief Information Officer, transmitting a Communication:

requesting authorization for the Purchasing Agent to enter into a contract with **NTT/VERIO, INC.**, Chicago, Illinois, for unlimited, secure, dedicated internet access throughout Cook County's wide area network and web hosting services with the option for two (2) one-year renewals.

Reason: After completion of a Request for Proposal (RFP) process for the selection of an Internet Service Provider, NTT/Verio, Inc. is being recommended based on its technical capability, qualified personnel, prior demonstrated responsiveness, and lowest cost to the County.

Estimated Fiscal Impact: \$188,412.00. Contract period: June 1, 2008 through May 31, 2009. (009-260 Account). Requisition No. 80090009.

Approval of this item would commit Fiscal Year 2008 funds.

*** Referred to the Committee on Information Technology & Automation on May 20, 2008.**

Commissioner Goslin, seconded by Vice Chairman Gorman, moved the approval of Communication No. 294137. The motion carried unanimously.

294138 BUREAU OF TECHNOLOGY, by Antonio Hylton, Chief Information Officer, transmitting a Communication:

requesting authorization for the Purchasing Agent to enter into a contract with **U.S. GEOLOGICAL SURVEY**, Urbana, Illinois, to procure aerial photography.

Reason: This joint funding agreement represents the work of a consortium involving the federal government, seven (7) counties of Northeastern Illinois and a regional council of governments to procure aerial photography for the benefit of each agency. Because of the economy of scale and the philosophy of good government, Cook County will realize a savings of approximately \$500,000.00 over the cost should the county have acquired it solely. This consortium and this project are unprecedented as a resource and data sharing initiative.

Estimated Fiscal Impact: \$181,583.00. Contract period: February 1, 2008 through September 30, 2009. (545-260 Account). Requisition No. 85450011.

Sufficient funds are available through the Geographic Information Systems Fund.

*** Referred to the Committee on Information Technology & Automation on May 20, 2008.**

Ladies and Gentlemen:

Your Committee on Legislation, Intergovernmental & Veterans Relations of the Board of Commissioners of Cook County met pursuant to notice on Wednesday, May 28, 2008 at the hour of 10:00 A.M. in the Board Room, Room 569, County Building, 118 North Clark Street, Chicago, Illinois.

Your Committee has considered the following item and upon adoption of this report, the recommendations is as follows:

294146 CANDIDATES FOR THE INTERIM BOARD OF DIRECTORS OF THE COOK COUNTY BUREAU OF HEALTH (ADDITIONAL APPOINTMENTS). Transmitting a Communication from Todd H. Stroger, President, Cook County Board of Commissioners, dated May 15, 2008.

With the restructuring and reorganization of the Bureau of Health Services, the passage of adequate new revenue found in the 2008 Budget and an agreement on the legislation needed to establish an independent hospital governance, the County Board, under my leadership, is poised to take the next step, in a series of positive steps, to preserve the Cook County Health Care System.

As this process moves forward, it is important to affirm that all of the parties involved have worked with genuine concern for the long-term well-being of our health system. The organizations which participated in the Nominating Committee did a tremendous job in forwarding a solid group of individuals. Additionally, I believe the County Board did their duty in analyzing the nominees presented by this administration. This is not a perfect process (and it is not enough to merely vote "no"), but it is the process we must move forward in order to ensure that our children's generation has universal access to quality health care in Cook County.

Based on the amendments passed by the Board to the Cook County Health and Hospitals System Ordinance, I am transmitting the names of four additional persons to serve:

- David Ansell, M.D., M.P.H.: Chief Medical Officer, Associate Dean and Vice President of Hospital Affairs, Rush University Medical Center;
- Warren L. Batts: Retired Chairman and Chief Executive Officer, Premark International;
- Sister Sheila Lyne, R.S.M.: President and Chief Executive Officer, Mercy Hospital Medical Center; and
- Luis Munoz, M.D., M.P.H.: Director of Occupational Medicine, WorkCare Medical Management

Their vast experience in health care administration, as well as their backgrounds in both the public and private sectors, will be much-needed assets. I am confident that these four individuals will bring professional and independent oversight and I therefore urge the Board of Commissioners to provide for their swift confirmation.

*** Referred to the Committee on Legislation, Intergovernmental & Veterans Relations on May 20, 2008.**

Chairman Suffredin explained the procedures that would be used for the meeting. First, testimony from the public would be taken on all proposed nominees. Next, each proposed nominee would provide a brief presentation of their qualifications, after which Committee members would be given the opportunity to ask questions of the proposed nominee. Finally, the Committee members would take a roll call vote on each proposed nominee after all had presented to the Committee.
